

# A Wounded Heart

*It was God in the flesh wounded for a price.*

*But sometimes we look to Facebook, Dr. Phil, or Oprah for the best advice.*

*His body hungered when He went to the wilderness.*

*But who will you pray to when your sins you must confess.*

*A wounded heart was Jesus when he hung upon a cross.*

*But God was there to resurrect Him when He came to save the lost.*

*Dale Lee Gordon*
