

# **T**he Beginning and...

Time ended time ended fast.

Just as Jesus told us His words came quickly to pass.

While it all happened so quickly we learn God does come as a thief in the night.

While we rejoiced in our blessings the heathen were in fright.

And while in victory the righteous withstood well.

The heathen had their portion in the depths of hell.

We who lived in Christ commandments we live in bliss.

The godless live below as the gospel they did resist.

There is an end to all the troubles and pain.

Where the prison door opens and the mad man is sane.

There is an end to tears and crying.

No more heartbreak of watching our loved ones dying.

There is an end to poverty and hunger.

No more is the whirlwind fire earthquake and fearful thunder.

There is an end to war and dying.

The loss of property and the enemies lying.

While all evil machinations come to a pass.

And God's reign of peace joy and love comes at last.
